

UPPSALA
UNIVERSITET

1st International Workshop on Historical Ecology: The Next Generation

*Hosted by Mind and Nature, IHOPE, and Uppsala University Department of
Archaeology and Ancient History*

Wednesday 12 November

8:45 Registration: Sunnersta Herrgård

9:20 Welcome – Anna Shoemaker

Keynote Speakers

9:30 Carole Crumley

9:50 Paul Sinclair

10:10 Paul Lane

10:30 *Fika Break*

Study and Practice of Conservation

11:00 Glynis Humphrey – The role of humans in the complex fire, climate, and
vegetation regimes of north-east Namibia

11:20 Anna Shoemaker – Re-examining assumptions of human environmental
interactions in Amboseli Basin, Kenya

11:40 Kristina Berglund – Peace Parks: history, rationales, potential

Integrated Modelling

- 12:00 Andrea Kay – A classification of subsistence lifestyles and land use in prehistoric Africa
- 12:20 Ryan Hughes – The third land use revolution: The environmental impact of the Bronze Age
- 12:40 Rebecca Kariuki – Modelling past, present, and future ecosystem dynamics and societal interactions in East Africa
- 1:00 *Lunch*

Managing Resources

- 2:00 Megan Hicks – Community and Conservation: long term hunting and egg collection of wild birds in Myvatn Northern Iceland
- 2:20 Konrad Smiarowski – Resilience, sustainability, and collapse in Norse Greenland
- 2:40 Chelsey Geralda Armstrong – The ecological and social contexts of traditional resource management: *Corylus* (spp.) in the Pacific Northwest

Agriculture, Sustainability, and Urbanism

- 3:00 Ezekial Mtetwa – Anthropogenic Landscapes: a historical ecology of iron and fuel provisioning systems in Great Zimbabwe urbanism, 800-1900 A.D.
- 3:20 Michiel de Haas – Climate, scarcity, and inter-communal violence and conflict in Sub-Saharan Africa: evidence from colonial British Africa (1920-1939)
- 3:40 Erika R. Hoffman – A cultural shift to sustainable agriculture
- 4:00 *Fika Break*

Soils and Landscape Formation

- 4:30 Oliver Boles – Lasting Impressions: the enduring effects of pastoralist settlement in the eastern African savannah and their archaeological implications

- 4:50 Lindsay Duncan – A multi-scalar, interdisciplinary approach to long-term environmental change at a coastal Maya site
- 6:00 Dinner at Sunnersta Herrgård

Thursday 13 November

Keynote Speakers

- 9:00 Thomas McGovern
- 9:20 Anneli Ekblom - Introduction to 50 key questions
- 9:40 Forming morning workshop groups – moderator Nik Petek
- 10:00 Group discussions
- 11:00 *Fika break*
- 11:30 Presenting morning workshop group discussions – moderator Chelsey Geralda Armstrong
- 12:30 Lunch
- 1:30 Forming afternoon workshop groups – moderator Megan Hicks
- 1:50 Group discussions
- 3:00 *Fika break*
- 3:30 Presentations of afternoon workshop group discussions – moderator Oliver Boles
- 4:30 Closing statements
